

PIBC WATCHING TOUR & FALL SOCIAL

Join us for a watching tour of Surrey's Central and Downtown area - from the top of Central City Tower!

Experience Surrey from a new perspective with this 360° watching tour of Surrey's City Centre district. The tour will allow you to learn more about the growing region through its landmarks, talk with local planners, and hear from City of Surrey staff, who will be presenting on the City's historical timeline and future developments.

Explore Surrey's rapidly expanding Downtown Core and learn about a variety of proposed and in-progress development projects - you won't want to miss it!
