

PIBC Vancouver Island
South Chapter presents...
**Capital Regional District
Watershed Tour**

Join us on Thursday, September 12th on a tour of the Greater Victoria Water Supply Area and Treatment Facility. During the tour you'll discover the natural landscapes, water supply reservoirs and the treatment process that provides Greater Victoria with our drinking water.

Please meet at the tour pick up spot (identified below) and be prepared for rain or shine. The tour will primarily take place on the bus and will include short walks at some stops along easy walking trails.

This tour will be guided by CRD staff.

Date: Thursday, September 12, 2024
