

PIBC Vancouver Island South Chapter and the
University of Victoria Present:

Capital Regional District Watershed Tour

Join us on October 9th for a tour of the Capital Regional District's watershed and treatment facility to learn more about where your water comes from and how it is managed.

During this tour you will have an opportunity to discover natural landscapes, learn about the region's water supply reservoir, the treatment process that provides the region's drinking water, and the challenges that this system faces now and in the future.

This tour is guided by a member of the Capital Regional District's Watershed Protection Division. The majority of the tour will take place on the bus, though comfortable walking shoes are recommended for stops along the way. Attendees are encouraged to bring water and a snack.

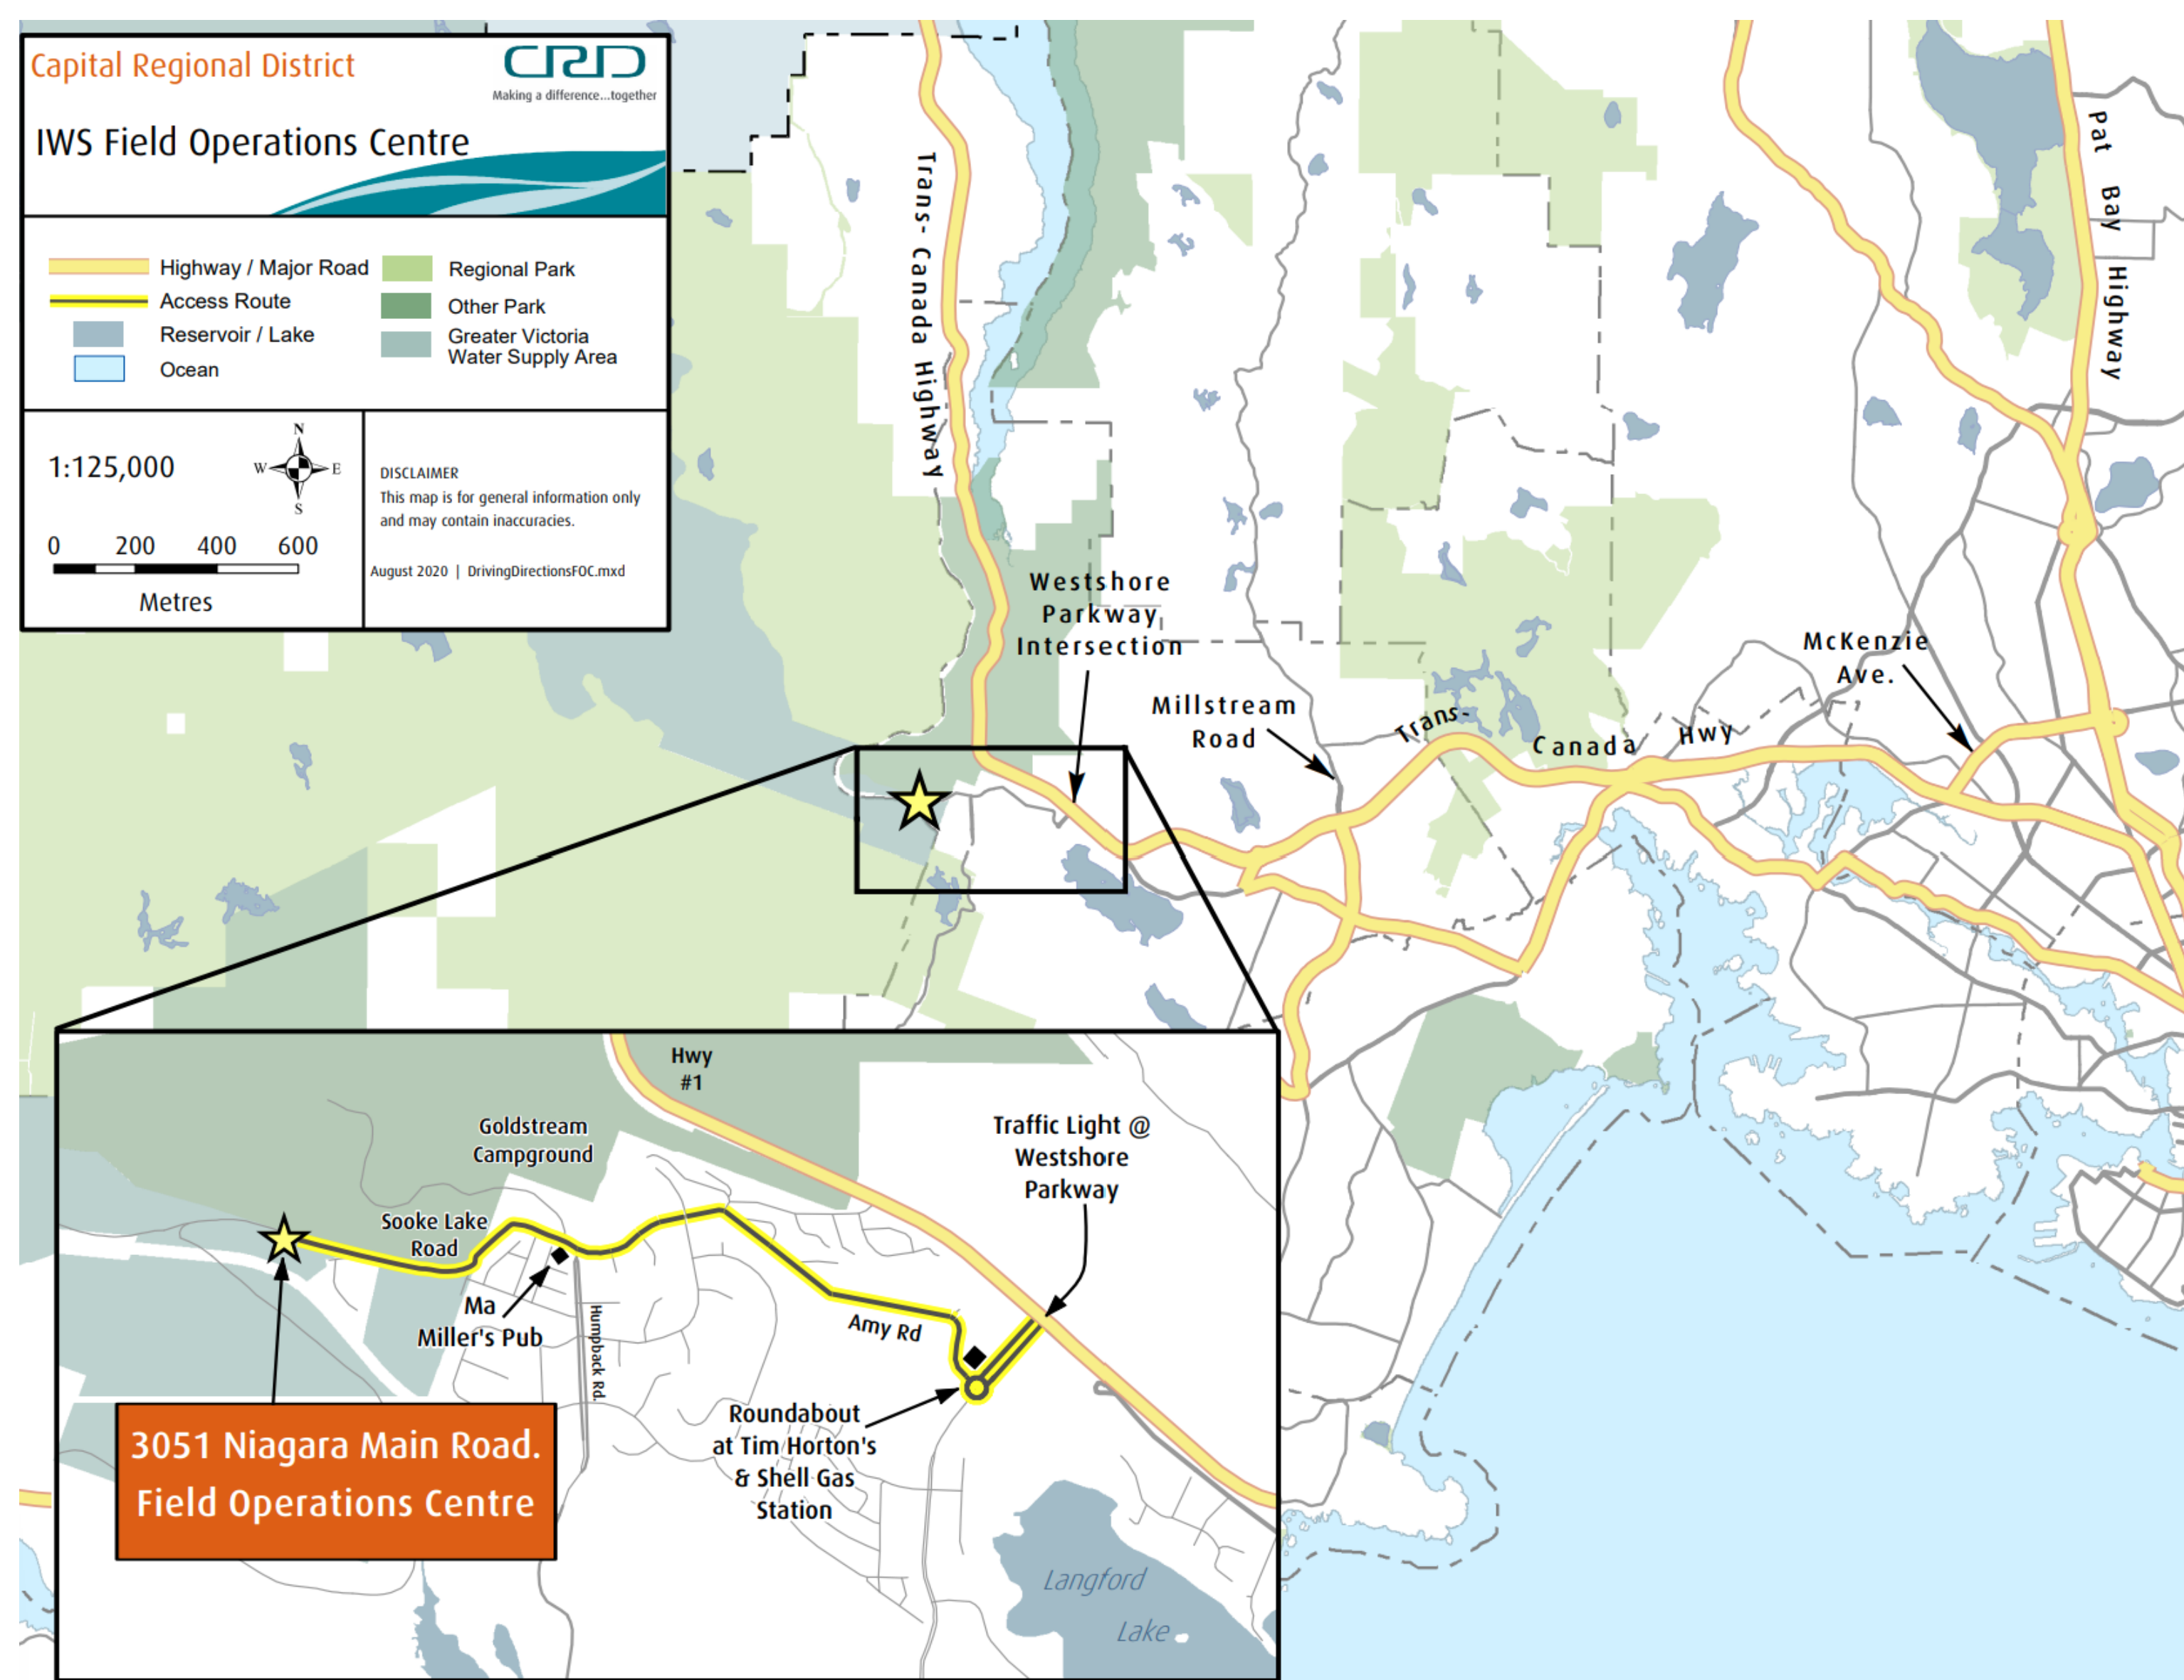

Date: Thursday, October 9, 2026

Location: 3051 Niagara Main Road (past Goldstream Provincial Park campground)

Time: 12:30 – 4:30 pm (registration required)

Cost: \$20 for PIBC members and students
\$25 for non-members

CPL Credits: Up to 3.0

Registration link in the bio or caption

Registration is required and the tour has a max capacity of 30 people!
